# COMPANY PROFILE

- ▶ Thank you very much for giving us an opportunity to introduce us. We are (STS Technical Services) one of the leading sub-contracting company in the field of construction and MEP services on turnkey basis in all emirates of the U.A.E.
- ▶ We are in this field for the past of 10 years. We have executed various types of MEP systems right from the installation till commissioning and maintenance.
- ▶ The key behind the success and growth of any engineering organization is the engineering and project execution department. We have qualified engineers and well managed organization.
- ▶ Project execution is fully managed and supervised by a well-qualified engineer dedicated in the related field of construction and MEP systems.
- ▶ We have a separate department totally dedicated for maintenance of MEP services and equipment's. We offer the service of our engineers and technicians round the clock (24hours) for emergency requirements. Furthermore, we also undertake annual and half yearly maintenance contracts which will ensure the smooth functioning of the various MEP services throughout the year.
- ▶ Therefore, we assure you that the engineering of STS will derive the best result to the utmost satisfaction of the client requirements.

Best Regards,

For STS. Dubai
